Herff Jones, LLC
Published in Canada, Printed in the USA

As the 2017-18 school year comes to an end, some of you will be moving on to high school and others of you will returning to complete your junior high experience with us.
This past year has been one filled with many opportunities and possibilities for all of our students. One of our biggest successes was raising almost $30 000 for Dogs with Wings through our involvement in Hockey Helps Kids. Our school came together to support those in need and grew as a community of contributing citizens.
Students went to Calgary for We Day, to Jasper for the annual ski trip and to Miette for the school hiking trip. We learned about leadership and the value of community during these trips and were also rewarded with the benefits of physical activity. So many more opportunities await all of you in the years to come. At grade nine farewell I challenged the class of 2018 to consider the word YET. Typically we think of yet as not yet. And true enough, you've likely had a lot of not yets so far in your life. But life is just beginning, opportunities are before you. So what is yet going to look like for you? You may make mistakes, but you'll fix them. You might take some wrong turns, but you'll turn back and go the right way. You will take risks, you will lead, you will love, you will lose, you will try again. YET, no matter the things that happen, you will learn! Because the best is yet to come! Believe it. All the experiences you've had up to now, lead to what's next. Go out Mavericks- lead - step up, and make a positive difference in this world.

Sincerely,
Cathy Taylor,
Principal
